

Scene Modular

Customized fabrics

Scene Modular is a selection of parts that enables you to build custom scene banners in increments of 25 cm widths. Starting at 50 cm, you can build as wide as you like. All horizontal poles screw quickly together giving you flexibility to change the size of your booth when you need to.

Scene Modular can also be deployed as a hanging solution in the width and height of your choice.

Specifications:

PARTS AVAILABLE:

- Foot with pole (tripod and oval)
- Straight horizontal poles: 50, 75, 100 cm
- Hanger clips
- Bag for 50 and 75 cm poles and foot
- Bag for 100 cm poles and foot
- I-lite

CONNECTORS: All horizontal poles can be screwed together

POLE HEIGHT: Pole is extendable from 88 to 225 cm

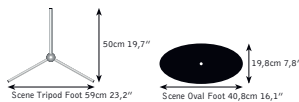

WIDTH: Customizable width. Build as long as you want. Starting at 50 cm and available in increments of 25 cm.

Why Scene Modular:

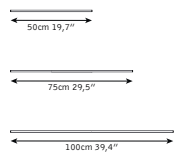

- Customized to your unique requirements. Build lightweight banners that are easy to transport
- Perfect for smaller public events, "step & repeat" and career days
- Hang from the ceiling
- Create backdrops or banner stands
